

No Show & Late Cancellation Policy

At Renal Care Consultants, we take the health of our kidney community very seriously. Our providers' schedules are often booked 3–4 months in advance, and every appointment slot is valuable.

A **No Show** occurs when a patient:

- Does not arrive for a scheduled appointment, or
- Cancels with less than 24 hours' notice.

When you give us adequate notice, we are able to offer that time to another patient who may be in urgent need of care.

Please be aware that if you need to reschedule, the next available appointment may be several months away, which could negatively impact your care.

No Show Guidelines

- A total of three (3) No Shows may result in termination from the practice.
- Appointments canceled with less than 24 hours' business notice, or missed without notice, **may result in a no-show fee.**
 - This fee is the patient's responsibility and cannot be billed to insurance.
